January 30, 2025

Greetings RBHS families and students,

Please see below for information regarding the Spring 2025 testing schedule here at RBHS.

MANDATORY: All-School Testing Day (ACT with Writing, PreACT, and PreACT 9) - Wednesday, April 9

All RBHS junior, sophomore, and freshman students are required to sit for state-mandated ACT and PreACT assessment exams. This will be a non-attendance/college and career exploration day for seniors. All grades 9-11 students are automatically registered through the school, and the state covers the cost of these exams. This year, the tests will all be taken digitally through the TestNav testing platform. As such, all students are required to test using their fully-charged, school-issued Chromebook. If students have Chromebook issues, they should contact our IT department as soon as possible to prepare for their Chromebook for the exam.

Information about testing locations will be released closer to the exam date. All students should plan to be in their assigned testing location prior to 8:00 a.m. Students should also plan to bring a calculator with extra batteries and a writing utensil to use on school-provided scratch paper. Outside of the Chromebook, no internet-enabled devices (phones, smart watches, etc.) will be permitted in the testing rooms for any reason. More information will be shared prior to the exam, including specific information for students who receive accommodations on their individualized testing locations.

OPTIONAL: SAT School Day Exam for Interested Juniors - Wednesday, April 23

Due to the state's shift to the ACT last May, RBHS is offering all junior students the option to sit for an in-school SAT exam on Wednesday, April 23, beginning at 8:00 a.m. The school will cover the cost for students who choose to sit for this exam. The window for exam registration runs from January 30 through February 28. Please fill out this form before the deadline if your child would like to sit for this exam: [SAT School Day Opt-In Form](#).

Advanced Placement Exams - May 5-16

RBHS students will sit for their 2025 AP Exams from May 5-16. Unless otherwise specified prior to exam day, all exams will take place in the East Gym. Students completed their exam registration at myap.collegeboard.org at the beginning of the school year (or at the beginning of the semester for all second semester courses). Any students who did not register will be contacted directly to complete their exam registration. Please note, the majority of AP exams will be completed in a digital or hybrid digital format this year. Students taking Digital AP Exams will need to know their College Board student account username and password to sign in on exam day. We will share an RB-specific AP Exam schedule in April. To check exam dates prior to that release, please refer to [The College Board AP Exam Schedule](#).

If you have any questions regarding testing here at RBHS, please feel free to contact Marc Helgeson, testing director, at helgesonm@rbhs208.net. If you have questions regarding your student's testing accommodations through the College Board, please contact Zach Lommatzsch, assistant testing director, at lommatzschz@rbhs208.net.
