BPS101 Families-

There is a lot going on around the District as we prepare for Spring Break, and more importantly the April 6th return of hybrid students to everyday learning. There is a lot of information in this message, so please take the time to read through it so that you are up-to-date on what's happening in BPS101.

Kids Club (NEW)

The Batavia Park District is planning to restart the Kids' Club program for before and after-school care at BPS101 elementary schools, with a planned opening date of Monday, April 12. Information regarding the program and registration will be posted on their [website](#) on Monday, March 29th. For more information, please contact Bethanne Guidarelli at bethanneg@bataviaparks.org.

Safe Practices for All (UPDATED)

Please continue to practice safe mitigation measures outside of school. [The CDC's website has information available for those who plan on traveling](#). Keep in mind that there are different rules depending on [international](#) or [domestic](#) travel. If you do travel, practice the 3 W's every time you are away from home and in close proximity to other groups of people. **Wear** a face covering. **Wash** your hands with soap and water. **Watch** your physical distance, staying at least 6 feet from others. IDPH has a [travel guidance](#) page for more information.

If you are not feeling well, please stay home. You will need to continue to complete the self-screener for your students. This is not the time to start hosting sleepovers or operating carpools. We need to be steadfast in our fight against this pandemic.

Food Service Update (Notice to All)

Food Service will align with Spring Break and will **not** be served March 29th - April 5th. Food Service will resume on Tuesday, April 6th.

We Are Hiring (Reminder)

The success of any future changes in the learning mode will partially rely on the availability of additional staff. We have multiple jobs posted for lunchroom aides and paraprofessionals. More information can be found [HERE](#).

Parent Input Request (Reminder)

You are invited to participate in the parent survey supplement of the **Illinois 5Essentials Survey**. Your participation in the parent survey will help us understand the conditions at your child's school and guide improvement. We guarantee those survey responses will *never* be connected to the identity of you or your child. School reports will only show aggregated information on how parents and students responded as a whole. Please visit <https://survey.5-essentials.org/Illinois/> to take the parent survey. If you have any questions about

the survey, please contact 5Essentials Customer Support at 1-866-440-1874 or impact-surveys@uchicago.edu.

We wish you a safe and enjoyable Spring Break week.

-BPS101
