

Privacy Policy

Introduction

Welcome to Foodie Mingle! We respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our mobile application (the "App"). Please read this Privacy Policy carefully. By using the App, you consent to the practices described in this policy.

1. Information We Collect

- **Personal Information:** Personal data which can be attributed to an individual including name, email address and location data should be provided when you use the App.
- **Non-Personal Information:** We also may gather information similar to transaction data but it is not directly linked to your identity. This may range from information about the device you are using, the operating system on that particular device, and even patterns of usage.

2. How We Use Your Information

We may use the information we collect for various purposes, including but not limited to:

- Maintenance of the App and making it available to the users.
- Enhancing your browsing and making it more individual.
- Notifying you and updating you.
- The author of the text takes time to immediately react to the comments and questions of the readers.
- Using the quantitative analysis of usage and trends of the services on offer.
- Stemming the spread of fraud and other unlawful deeds.

3. Sharing Your Information

We do not sell, trade, or otherwise transfer your personal information to outside parties except as described below:

- **Service Providers:** Your information may be shared with third-party providers who help in running the App or in developing our services.
- **Legal Requirements:** Your data/biometric data may be disclosed if we are under a legal obligation to do so or in case of legitimate requests from authorities.
- **Business Transfers:** Under a merger or acquisition of our company or the sale of its all or part of the assets of such other related bodies in any jurisdiction, all the information we hold about you could be transferred.

4. Security

It is also worthy of note that we confirm to the best of our ability to the appropriate handling, storage, dissemination and security of your personal information to prevent unauthorized access, use, disclosure, alteration, destruction, or loss of such information. Still, no internet or electronic storage method is 100% safe and we cannot ensure the exact data security level.

5. Your Choices

You have the choice to log in or not, you can use the app without login also.

6. Third-Party Links

It is stated that the App may include links to third-party websites or services which are out of the Company's operations. Regarding the privacy of these third parties, we also take no responsibility.

7. Children's Privacy

The App is not directed at or to be used by children under the age of thirteen. It is also important to note that the firm does not in any way collect personal information from children under the age of thirteen. We must inform the child or the parent or guardian of the child of this Policy and this App, provide the choices described above and delete the personal information collected from the child.

8. Changes to This Privacy Policy

This Privacy Policy may be modified from time to time though any substantial changes will be communicated to you. Any changes will be notified to you by posting the new Privacy Policy on the page. This site's proprietors also inform you that you should visit this Privacy Policy again now and then for updates.
