

# Tell Your Story: League Data 2024/2025

Thank you for all the work you do to empower voters and defend democracy!

LWVTX is collecting data for LWVUS to learn more about what Leagues are doing in Texas. **(Please note that this form is different from the Annual Report.)** This data will help your League, LWVTX, and LWVUS tell the stories of League accomplishments. Sharing the impact of the League in your community, as well as at the state and national level, is a key strategy to recruiting members, supporters, partners, and donors to work with us to empower voters and defend democracy.

There are five sections to this report -- 1. your League's biggest impact, 2. voter registration, 3. events during the reporting period, 4. community partners stakeholder, and election officials, and 5. building your League. If you do not have specific numbers, please give your best estimate. If you have not been collecting this data, please note these items for future reports. If a question is not applicable to your League, leave it blank.

This form includes reporting start and end dates of your reporting period. You may fill this out weekly, monthly, or after each of your events.

You will find this form in the Presidents' Update each month. It is also posted on the LWVTX website in the Reports section in the [Running Your League page](#) under League Management.
