Bracelet project for #PoetryMonth!

Do you have a favorite poem?

Most folks have one that is memorable. Sometimes it is a family favorite, sometimes it is an inspirational one that you enjoy. Whatever it is, we'd love to hear it!

Schedule a time to record your poem

See Mr G or Ms Hogan and record your poem in the Makerspace. We have a sample script/agenda for you to think about before you recite your poem. You'll save it and Mr G will do some magic and post it on the web.

YOU WIN!

Print a #PoemBracelet!

Once you recite your poem, you win the opportunity print a 3D Poem Bracelet. Mr G or Ms Hogan will be glad to talk to you about it.
