## **Transfer & Release Policy**

WYH abides by the WAHA Guidebook and Directory for the acceptance of skaters who reside outside of its boundaries certified by WAHA to serve the area. Any Skater residing in the WAHA designated area for WYH who wishes to join another WAHA affiliate association will require a signed release form from WYH. All release requests must be made in writing by the requesting party.

Release requests may be submitted as early as May 1 but no later than September 1 for the season being requested. Releases must be requested and granted annually.

Release requests after registration may be evaluated, however there will be no reimbursement of required Fees, Dibs buyout, Fundraising or fundraising (Including but not limited to Raise Right) and no special board or HOC meeting will be held to evaluate release requests.

All release requests will be evaluated by the Hockey Operations Committee with a recommendation made by the Board and Subject to Board approval at the next available board meeting.

## **Transfers**

Wausau Youth Hockey will not actively solicit transfer of players from other youth hockey organizations. Any out of service area skater (transfer) may be denied by WYH.

It is the intent of Wausau Youth Hockey to grow a consistent player base to feed the High School programs served in the community. Transfers requests will be evaluated by the HOC with a referral to the Board for final approval.

Transfers will be evaluated by the HOC on a needs base relative to the impact the transfer will have on competition, existing members, need, and impact on organization.

Approved May, 2025
