Measurements:

- Secret Sea card base - 5 ½” x 8 ½”, scored at 4-1/4” and burnished with the Bone Folder
- Lemon Lime Twist – 4-1/4” x 5-1/2”, scrap for sentiment
- Basic White - 4-1/4” x 5-1/2”
- Twine – 12”

Instructions:

1. Mount the checkered flag and “Zoom” on one block. Stamp repeatedly on the card base with Secret Sea ink, alternating direction and stamping close together to fill the background.
2. Stamp the racecar in Secret Sea on Basic White. Trim to 3-3/4” x 4-3/4”.
3. Place then glue the Lemon Lime Twist layer at an angle on the card front (top point near the top left fold; bottom about 1-1/2” from the left edge). Trim excess using the Paper Trimmer with the card base facing down.
4. Adhere the Basic White layer flush right and flush to the top using glue.
5. Stamp the sentiment and road lines in Secret Sea on Lemon Lime Twist scrap. Trim to approximately 7/8” x 1-7/8”.
6. Add a strip of Stampin' Seal to the back of the sentiment and press black twine into it, looping as desired. Trim ends.
7. Attach the sentiment with Stampin' Dimensionals.

8. Finish with two white Neutral Matte Dots.
