Imani Roby                                 |
| Prayers of healing for the mother of Usher Ojii                                                                                                                                                                                                                                 | Rudy G. Smith                                   |
| Sister Alamazi                                                                                                                                                                                                                                                                  | Moustapha Sow, father of Sis. Rehema's children |
| Prayers of healing for Maj. Chekesha                                                                                                                                                                                                                                            | DeDan Blackmon (son of Rev. Rashida)            |
| Shawana Gill                                                                                                                                                                                                                                                                    |                                                 |
|                                                                                                                                                                                                                                                                                 |                                                 |
| We pray for the brothers Tyhemba, Jomoka and Yusuf Musafir, who are incarcerated. We pray and claim in the name of the Black Messiah Jesus for best and fairest outcomes as God works through their lives with love, growth, and the needed gifts to help them and help us all. |                                                 |

# SICK AND SHUT IN LIST

Please remember to pray for and  
call our members that are in need

Please pray fervently for our founding church member Bro. Emmett Kitwana Hagood, Jr. May God bless him with complete healing.

Sharifah, Clementina Dawes-Regency at Canton, 45900 Geddes Rd. Canton, MI

Condolences to Sis. Ame on the passing of her son in law James Whitson.
