Middle School Track

The Corunna middle school boys' track team won the Cavalier MS Invite last night beating six other schools. The team was led by Braden Harstsuff who was three time winner as well as Ruger Zeeman, Ben Hansen, Earle Hansen, Jack Nequist, Kolton Stratton, Tye DeLorge, Carter Doyle, and Caleb Lecureux who were all multi-medalists in their events. It was a great team effort with many personal bests contributing to the team victory.

The Corunna middle school girls' track team placed fifth in the Cavalier MS Invite last night. The girls were led by the first place 4x100 relay team of McKinnon Fireoved, Claire Herrick, Gabriella Edington and AnnaMarie Dodak, 200m winner Emma Seidel, and other medalists including Ava Nequist and Kayla Hook. There were also many personal bests recorded by the girls last night. The girls will be back in action tomorrow night in Lapeer.

Congratulations!

Congratulations to the Hickory Lane baseball team. They beat Montrose last night 12-5.

Spring M-STEP Testing

Each spring, all students in grades 4th-7th participate in the State Assessment known as M-STEP. All grade levels at the middle school complete the English Language Arts and Math assessments. Please make sure your child arrives at school on time and gets plenty of rest. Math testing will take place today May 9, 10, and 11. Make-ups will be offered the week of May 15 for any student who is absent or needs additional days to finish. Included is a link to the bell schedule on testing dates: [CMS Testing Bell Schedule](#)

***Please note:** Cell phones, smart watches, blue-tooth headphones/earbuds, and other electronic devices are not allowed in the testing room. Students will be asked to place these items in their lockers during testing (cell phones are always stored in lockers). If a student forgets, the teacher will ask the student to place the item(s) in a box on his/her desk before testing begins. Once testing begins, if a student has one of these items, the student's test and the tests of others in the room could be invalidated. Please help us ensure test integrity by encouraging your student to leave these items at home during testing days or to make sure items are stored in lockers. Thank you for your help!

Snack Items Available

The OM teams still have some snacks available for sale before school. Students can bring \$1 to the office in the morning to purchase a bag of potato chips (variety of flavors), Fritos, Doritos, Cheetos, or goldfish crackers. Proceeds go to support the teams' World competition trip. We also still have 48 Smencils available

for students to purchase. These scented pencils cost \$2 each. Proceeds from the pencil sales goes to support our middle school drama club. Both items will be available this week while supplies last.

Mock RockTalent Show

It's time to bring back an awesome tradition, the Corunna Middle School Mock Rock Talent Show. Do you have a cool talent or ability that you would like to share with all of your fellow students? If so, we are looking forward to seeing you tryout for the talent show. The show will be during the last day of school on June 2nd. Tryouts will be in Mrs. Rowe's room on Wednesday, May 17 and Thursday, May 18 from 2:50-4:00 p.m. You have three weeks to prepare. Sign-ups for the tryout will start on Monday, May 1 in the office. Get your act together and we cannot wait to see you at tryouts!

Important Recurring Reminders

"NO PEANUTS PLEASE"

Our amazing student population will include more than one student with a life threatening peanut allergy. We are asking you to start thinking now about snacks and lunch items that you can send to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. **One way to help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.** [No Peanuts Please](#) [Peanut Free Snack Suggestion](#)
