ATHLETE SPOTLIGHT

1. The new guys - Canon Bruce (Jr.), Nolan Mrozowski (Jr.), and Andreas Barton (Sr.) Competed in their first ever high school meet! These guys competed well! It is uncommon to get athletes joining track as upperclassmen and we are excited they did! They will become big contributors to our team this season!
2. The Relays!! All three of our relay groups placed inside the top 12 and ran seasonal bests. Our 4x200, and 4x800 relays are ahead of last year's squads at this time and our 4x400 is a few seconds away from the indoor best from our state qualifying group last year. The growth these groups should make this year will be fun!
