The Literacies Centre: Curation & Conversation

The screenshot shows a website layout with a header banner that reads "READ. WRITE. LEARN. GROW." Below this is a grid of four circular icons representing different resource categories: "AUTHORS EVERYWHERE", "FOREST OF READING", "BOOK POWER FOR KIDS", and "THE GOOD WORDS PODCAST". A green arrow labeled "NEW" points to the "FOREST OF READING" icon. To the right of the grid is a red arrow labeled "Curated Resources" pointing to a social media post from "Mrs Lyons" on a corkboard background. The post asks: "What have you read recently that you loved? What do you want to read next? Let's talk about reading!!". Above the social media post is a red arrow labeled "Interactive Space (Linoit)".

The Knowledge-Building Centre

This is the home of all cotaught learning experiences across the school, whether just the TL or by any other specialist in the school. It is the record of collaborative efforts across the learning community. And, it has an archive to document this intervention.
