Instructions:

1. Crease Summer Splash CS for card base. On smaller piece of Summer Splash CS, stamp the "water" image in Basic Black at the top, reink, turn stamp upside down and stamp again to join images. Repeat process with the Night of Navy ink on lower half of the Summer Splash CS.
2. Stamp the moon in Peach Pie ink on the Lemon Lolly CS. Then punch out using the 2 $\frac{3}{8}$ " Circle Punch. Use snips or Trimmer to make the bottom flat.
3. Stamp the dolphins in Tuxedo Black Memento in on the Night of Navy stamped image (water) and on the moon. Add Wink of Stella Glitter Brush on the Night of Navy image (careful to go around the dolphins).
4. Adhere the stamped Summer Splash CS to the lower part of the Basic Black CS.
5. Stamp the clouds using Whisper White ink on the Basic Black, just above the Summer Splash CS. Add the Rhinestone Basic Jewels and adhere to cardfront. Add the moon with Stampin' dimensionals.
6. Use Versamark pad to stamp "missing you" to the Basic Black CS strip. Add white Basics WOW! embossing powder, tap off excess, and set with the Heat Tool. Add to cardfront with Stampin' dimensionals.
