Compensation
CTC: 3.2lacs

Selection Process:
Information Session + Written Test + Technical Interviews + HR interview

Job Location:
Bangalore/Chennai

About HP
HP is the world's largest provider of information technology infrastructure, software, services, and solutions to individuals and organizations of all sizes. Ranked 10 on the Fortune 500 list for 2012, HP brings together a portfolio to serve more than 1 billion customers in over 170 countries on six continents. HP invents, engineers, and delivers technology solutions that drive business value, create social value, and improve the lives of our clients. Learn more http://www8.hp.com/hpnext/

Innovation @HP
At HP, we live for the big idea, the next great discovery. "Invent" is more than a word: it's who we are. Our innovations in the key strategic areas of Big Data, Cloud, Mobility, and Security help shape the technology industry. Everything we do, we do to make technology more practical, usable, and valuable to our customers. Learn more www.hpl.hp.com

Global Citizenship @HP
Social innovation at HP centers on the belief that the same passion, energy, and culture of innovation that make HP a successful company can also be used to make a profound and positive social impact in the world. Through pro bono work and volunteering, we help employees find ways to contribute their skills where they're needed most—from aiding earthquake victims to inspiring kids to stay in school. Learn more www.hp.com/us/en/hp-information/social-innovation/social-responsibility.html

Diversity @HP
There's power in our differences. There's strength in bringing together men and women of different nations, cultures, ethnic groups, lifestyles, generations, backgrounds, and skills. In fact, we consider diversity to be one of our strongest business tools. Learn more www.hp.com/us/en/jobsathp/learn-about-us/Diversity.html
