Electronic Fobs are charged for at £5 per fob and are available from Mike Jevons (mike@picklewood.info)

* **Concessions** - a 25% reduction in fees is available to any members in receipt of state pension or job seekers allowance or who have a household net income of less than £24,000 per year.

** **New members** - are defined as anyone who has not been a member of the club during the last 5 years.

New members - will be charged a refundable deposit of £5 for each electronic fob, which will be refunded if they return the fob when they leave the club.

(The club is grateful to those members who elect not to claim the concession, where they feel their income is sufficient to allow them to pay full fees)

Members experiencing severe financial difficulties - Existing members who have experienced severe financial hardship can apply for a further discount in fees by submitting evidence of a reduction of income to the treasurer (contact by email: gordon@westhillshouse.co.uk). Information that is supplied will be kept confidential in the club. Gordon will anonymise your information for discussion with the committee, which will determine whether to offer a further discount.
