

## Teacher Recommendation Form

### EDGE Application

Teacher Name \_\_\_\_\_ Student Name \_\_\_\_\_ Date \_\_\_\_\_

EDGE (Earn a Degree, Graduate Early) is an Early College High School program. This program is a partnership between Union and TCC and allows students to earn an Associate Degree while in high school. The students will be required to take Advanced English and Advanced Biology as well as a College Prep elective in 9th grade as part of the program. Their college courses will begin once they enter their sophomore year. As you complete this recommendation form for the student, please take into consideration the rigor of earning a degree while in high school and the student's performance in your classroom this school year.

Rate the student on a scale of 1 to 5. Clearly circle your response.

|                                                                              | Never | Almost never | Often | Almost always | Always |
|------------------------------------------------------------------------------|-------|--------------|-------|---------------|--------|
| This student is willing to work through a challenge                          | 1     | 2            | 3     | 4             | 5      |
| This student submits work on time                                            | 1     | 2            | 3     | 4             | 5      |
| This student makes attendance a priority                                     | 1     | 2            | 3     | 4             | 5      |
| This student is engaged in class                                             | 1     | 2            | 3     | 4             | 5      |
| This student is a self-advocate when needing assistance                      | 1     | 2            | 3     | 4             | 5      |
| This student collaborates well with others                                   | 1     | 2            | 3     | 4             | 5      |
| This student has grit- they remain encouraged and persevere during adversity | 1     | 2            | 3     | 4             | 5      |
| This student can make a mistake and quickly recover well                     | 1     | 2            | 3     | 4             | 5      |
| This student is self-motivated                                               | 1     | 2            | 3     | 4             | 5      |
