

## Radish ⇒ Resistant Radish

Based on datamined Heroes text most likely referencing this plant.

Describes abilities.

Alliterative for Added Appeal

## Fire Gourd

Good as is

## Heavenly Peach

Good as is

## Bamboo-shoot ⇒ Bamburrow

He's a bamboo that burrows

## Oak Archer

Good as is

## Cryo-shroom

Perfect as is

## Pyro-shroom

Perfect as is

## Acidic Citrus ⇒ Acid Lemon

Tbh that name was fine to begin with imo

**==Or==**

## Acid-trus

If you wanna keep the 'Citrus' part

## Lotuspot ⇒ Lotus Pod

Lotuspod + Torpedo Pod (honestly a stretch, but still)

Pancho himself has admitted he thinks the name "Lotuspot" is lame

## Rafflesia

Same as is for the sake of Primal Rafflesia

**==Or==**

## Bubblesia

Since he blows bubbles  
I'm fine either way on this one

## Acornado

Fine as is

**==Or==**

## Tornacorn

Both are fine imo but I'll put this one here in case y'all like it

## Chest-nut ⇒ Chestnut Squad

Describes it more, looks more like they're comin' out of a mouth rather than a chest

## Cyloque ⇒ Cycloquat

Sounds better imo

Pancho has admitted he went with "Cycloque" because he thought "Cycloquat" sounded "unnatural"

## Aspiragus ⇒ Aspairagus

Asparagus + Air

Every person I've spoken to about this has agreed this name was better

## Saucer Squash

Perfect as is

## Board Beans ⇒ Pod Pilots

~~whatup Lily I stole your name~~

They fly in a pod, they pilot the pod

## Lantern Cherry

Good as is

## Amphurium ⇒ Ion Anthurium

Drops the awkward pun(?)

Borrows from original chinese name (which Pancho says he prefers)

Spinnapple ⇒ Spin-apple

Just looks better to me imo

**For the original design only**

Spinnapple ⇒ Puff-apple/Puffy Pineapple

Since he doesn't really spin

**For the current design only**

Jackfruit

Good as is

I honestly can't think of anything for him

MC Glory

Good as is

**==Or==**

(DJ) Speaker Flower

Pun on the chinese word for Morning Glory.

The "DJ" is optional

Primal Rafflesia

Good as is

**==Or==**

Repulsia

Repulse/Repulsive + Rafflesia

In case we choose "Bubblesia"

Dinonip ⇒ Nepenthedon

Nepenthes is the species name for pitcher plants, -don is dinosaur for toothed

Pancho admitted that he just gave up for this one

Thorns ⇒ Cowardly Thorns

Old name sounded better imo

Mastercane ⇒ Noble Cane

Noble Cane is a type of sugar cane

I honest to god don't care what this one is named

## Flat-shroom ⇒ Manhole Mushroom

Describes function more

Alliterative for Added Appeal

## Lotus Root ⇒ Lotus Shooter

Old name was fine imo

Describes it more I guess

## Fanilla

I honestly don't like this name that much anymore (even though I was the one that originally came up with it (ask Mr. Fume Shroom or ask me for proof)) but I also recognize that people would be Big Mad if I changed it

## Passionflower ⇒ Maypop Mechanic

"Maypops" are another name for the type of Passionflower this plant is based on

I really love this one a lot ngl

## Lily of Alchemy

Good as is

## Berry Blaster ⇒ Mulberry Blaster

Honestly this is mostly to differentiate this from Berry Blast

I don't mind if this name doesn't get changed

## Carrotillery

Good as is

Official PopCap Seattle name

## Aggro Brocco ⇒ Broccade

~~Whaddup Jas I used your name~~

Blockade + Broccoli

Aggro Brocco sounds really stupid to me

## Pomegunate

I personally prefer "Pomechine Gun" but this one's good too so I don't mind that much

## Lord Bamboo

Good as is

I honestly got nothin' for this one

Bambrook ⇒ Bamboo Barrier

Bambrook honestly doesn't sound that good and the pun is honestly super weak

Magic-shroom ⇒ Magic Mushroom

"Magic Mushrooms" are another name for hallucinogenic mushrooms

Zorroze

Good as is

I also honestly super like this one

R.A.D Missiles ⇒ R.A.D. Missiles

The lack of final period really irked me, otherwise I don't mind this one

Update: I get the pun now and I love this name even more now

Pumpkin Witch

Good as is

Sunflower Singer

Good as is

I prefer this one more

**==Or==**

Songflower

If you want a lame pun

Snowy Cotton ⇒ Snow Cotton

Personal preference, I don't care if this one doesn't get changed

Guerrequila ⇒ Agave

I hate this name so dang much, this name was the sole main reason I went and contacted the people responsible for the name changes because it sounds so awful and I hate it, and this is coming from a Mex-American so you KNOW it's bad

Idk I guess change it back to Agave or whatever

Monkeyfruit ⇒ Monkiwi

~~Hi Lily, again~~

My original pitch was “Sun WuKiwi” but Pancho didn’t like it and I figured no one would get it anyways

Plumping Plummy ⇒ Plum Blossom

Plumping Plummy is a really awful name if you know what “plumping” means

Dragonfruit ⇒ Dragon Fruit

Personal request from Pancho himself, I agree it’s much better

Angel Starfruit/Angel Star

Personally prefer Angel Star, but I don’t mind either way

Firebloom Queen

Great as is

Match Flower ⇒ Matchstick Boxia

Matchstick Banksia, the plant this is based on, + Box/Boxer

The last part reminds me of a guy with a north-east coast accent saying “Boxer” and that makes me smile :)

Sumo Melon

Good as is

Note: Pancho has said that all plants Sumo Melon-onward he doesn’t care what we name, since he doesn’t care for these plants

Icy Currant

Good as is

Official PopCap Seattle name

Trump Tulip ⇒ Trumpet Tulip

**Finish The Word Trumpet Please :D**

I’m tired of the Trump jokes they were never funny and you’re not funny if you tell them

Auberninja

I was gonna pitch “Brinja” (Brinjal (another name for eggplant) + Ninja) but then I quickly realized that almost nobody would get it

Banana Dancer

I was originally gonna rename her to “Fan-tain/Fantain (Tree)” but the current name honestly kinda grew on me

Also according to Mr. Fume Shroom us english speakers are too stupid to know what Plantains are anyways so

**Narcissus ⇒ Narci-kiss/Narcikiss**

Mostly for the PvZO version

**Dual Pistol Pinecone**

I honestly got nothing for him :(

My friend once jokingly called him “Pinecone Fresh” once

**Alarm Arrowhead**

Yep, nothin’ for this one either
