

## Second Grade Readiness Skills

### Language Arts

- Decode words by applying knowledge of letter-sound relationships, breaking the word apart, context clues.
- Use comprehension strategies while reading: predicting, asking questions (who, what, when, where, why, how), inferring, summarizing, visualizing, making connections (text to text, text to self, text to world).
- Discuss the plot, characters, events, and settings of a story.
- Recognize parts of speech such as noun, pronoun, subject, verb, adjective.
- Use capitalization and punctuation correctly.
- Write in paragraph form (topic sentence, supporting details, concluding sentence).

# Mathematics

- Recognize and write numbers up to 1,000
- Count by twos, fives, and 10s to 100
- Mentally add numbers to 10
- Add and subtract to 20
- Add and subtract with pennies, nickels, dimes, and quarters
- Tell time to the hour, half hour, and quarter hour
- Recognize 2D and 3D shapes. Describe Attributes: sides, edges, faces, vertices
- Identify, describe, and reproduce patterns with numbers and shapes
- Recognize simple mathematical symbols (e.g., “+”, “=”, “>”, “<”)
- Read thermometers and use measuring tools like rulers in inches and centimeters.
