

Student Celebrity Research: Links

We have provided references for you so that you can spend class time reading and learning about celebrity families (and not searching for articles). You can type in some key words, such as the parent/parents' name, "pregnancy" and/or "family" and the source (People, CNN, etc), and the following articles should pop up.

Please research the following Information:

Who is in the family?	Who provided the Egg?
Parent/Parents:	Who provided the sperm?
Kid/ Kids:	Who gestated the pregnancy and gave birth (uterus)?
Other:	How did fertilizaion happen (PIV sex, insemination, IVF)?

Other points of interest?

Besides income (all the celebrities listed are considered well-off), did sex (female, male, intersex), gender, sexual orientation, race/ethnicity, or any other factors come into play when they were growing their family?

What sources did you use for your research?
