## *Title I Parent Involvement Policy*

The Staff at Cane Ridge Elementary School believes that a strong partnership between home and school is necessary to ensure quality education for all our students. We must strive to establish an environment where parents feel welcome and needed and are encouraged to actively participate in the education of our children.

The Title I Parent Involvement Policy will be fulfilled in the following manner:

- ❖ The School-Parent Involvement Policy and the Parent-School Learning Compact will be sent home to parents at the beginning of the year. These will describe the role of the family, students, and staff in improving student achievement.
- ❖ In August, at the Open House, parents will be invited to meet the staff and learn about the program. Parents will have the opportunity to ask questions and receive information.
- ❖ Meetings will be scheduled throughout the year to address topics of interest as reported by the Parent Involvement Survey from the previous year. Title I staff will collaborate with the PTO, FRYSC, and other school programs.
- ❖ Title I teachers will collaborate and participate in parent-teacher conferences.
- ❖ Parents will be encouraged to visit classes during the school year.
- ❖ Provisions will be made for parents with Limited English or disabilities.
- ❖ Parents will be encouraged to share their expertise and suggestions at various times during the school year and to evaluate the Title I program in May.
