

HOME LANGUAGE ENRICHMENT PROGRAMME

2026-27 School Year

"To speak another language is to have one more window from which to look at the world"

Dear Parents/guardians,

Are you a bilingual household? Does your child speak or understand another language which you may want them to maintain or improve?

At ACS Hillingdon we are pleased to offer free Bilingualism and Fluency support classes for students from grade 1 to 10. The lessons are once a week for 40 minutes after school. Students engage in linguistic and cultural activities designed to enrich their understanding and use of their home language. They read, write, converse and access high interest materials (literary books, grammar books, spelling books..). The classes are also an excellent opportunity to meet other students from the same language background. This programme will help your child grow and flourish in their home language.

Before signing up for one of our classes please consider that the musical rehearsals will take place on Mondays and Thursdays after-school.

If you are interested in your child joining or returning to the programme, please complete the form by clicking [here](#).

I will contact you at the beginning of September 2025 to update you on class times and logistics.

Kind regards,

Sahdia Belaredj
