

Students who have a library fine for a lost or damaged book, may pay down their fine by reading at home. Every 30 min. of time spent reading equals \$1.00 off of their library fine. **This only applies to fines for Carver library books.**

Students receive credit for:

- Reading by themselves
- Reading to someone else
- Reading books, graphic novels, magazines, or newspapers (digital or paper)
- Listening to audiobooks

Please keep track of the amount of time your student reads and have your student submit this log to Ms. Mc Guane.
