104 SCHOOL DISTRICT VISION STATEMENT

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

II. GENERAL STATEMENT OF POLICY

The school board believes that a vision statement should be adopted. The vision statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. VISION STATEMENT

Moose Lake Community School, along with families and community, will nurture and inspire youth to become globally prepared, innovative, ethical, healthy and contributing citizens.

IV. REVIEW

The school board will review the school district's vision every two years, especially when members of the board change. The school board will conduct a comprehensive review of the vision, including the beliefs and values of the community, every five to seven years.
