DEDICATION

This study is dedicated to my parents, my friend,

And my teacher *****

who helped me and guided me in completing this thesis.

ACKNOWLEDGEMENT

There have been a lot of people that have helped me along the way and to get to this point and I would like to take this opportunity to personally thank them.

First and foremost, I want to thank my Teacher *****, who helped me from very first day in my work; he has been an amazing mentor and advisor throughout this experience.

I would also like to thank my close friends Ahmad and Zohaib for their endless support and work in collecting data for my research and making it easy for me in my work, and for always helping and guiding me in my work.

I want to thank my parents for all they've done for me over the years and for always being there for me to challenge and motivating me. Both have been supportive with my decisions and my work.

I would also like to thank rest of my family members and friends for their help, support in this work always helped me and stood by me, and I have always appreciated it. You truly are my brother.

RESULTS AND DISCUSSIONS

In this chapter the researcher has stated comprehensive view of the sample features and description of them. It contains the analysis of sample in terms of their sex, class, difficulties in reading content, difficulties in reading behavior, difficulties in vocabulary, difficulties in teaching methods, difficulties related to teaching aids, and difficulties in teaching methods. A short statement interpreting each table is given under the table.

Results

Table 1

Students read the English textbook of secondary level appropriately.

Attitude	Frequency	Percentage
Strongly Disagree	12	6.7
Disagree	20	11.1
Uncertain	22	12.2
Agree	60	33.3
Strongly Agree	66	36.7
Total	180	100.0

Table 1 indicates that 36.7% students strongly agreed and 33.3% student agreed that they read English textbook of secondary level appropriately. Only 12.2% students

remained uncertain. 11.1% students disagreed and 6.7 % student strongly disagreed that the students read the English textbook of secondary level appropriately.
