

Mitsuru Shinagawa - Fantastic Birthday!

[Livehouse dub - Studio]

Mitsuru: Agh, I'm here, I'm here! Sorry for the delay, everyone...

Koharu: That's completely fine, Mitsuru-san. I can imagine your birthday would have you busy.

Mitsuru: It sure has... and to think I completely forgot about it until my classmates congratulated me!

Rekki: Hehe, that's so you, Micchan...

Eri: Well, you still have a busy day ahead of you with us!

Cadao: *Your classmates won't be the only ones congratulating you.*

Koharu: Together now, everyone!

Everyone: Happy birthday, Mitsuru!

Mitsuru: Thank you so much everyone!!! I'm so, so, SO happy I get to spend my birthday with you all!

Rekki: So are we, Micchan!

Mitsuru: It was such a crazy year... I almost thought I wouldn't have you all spending my birthday with me at one point...

Eri: Hey now, what's done is done! All's well that ends well and all that.

Cadao: *Indeed. Present?*

Mitsuru: As in time or...

Koharu: As in both, I believe. Eri, can you grab it over there?

Eri: Yeah, yeah, I'm on it.

Mitsuru: A gift! Oh, you guys didn't need to!

Eri: Well if we didn't, you'd be whimpering about it!

Mitsuru: Hey! Not true! Just who do you take me for, Eririn?!

Eri: I'm joking, I'm joking! Go ahead and open the pack already!

Mitsuru: *gasp* A guitar case! And it's so cool too!!

Rekki: I checked, and the material it's made of is very durable!

Koharu: And since you inspired one of our most popular songs in Flare Blitz, we thought the fire pattern was perfectly fitting.

Mitsuru: You guys... let me guess, Rekkun had the idea for the pattern?

Rekki: Hehe, not quite Micchan, but I'm honored you thought of me.

Cadao: *Actually, it was Eri-san's idea.*

Eri: H-heh! I thought I told you to keep quiet!

Cadao: Tee hee.

Eri: You little... Guh!

Mitsuru: Eririn, that's so nice of you!!

Eri: I know, I know, but you can let go off me!

Mitsuru: Oops! Sorry, you know how I get when I'm emotional...

Eri: I sure do. Even if that and other things about you piss me off at times... you've been trying so hard to change and to be the best leader for our band that I just... I feel a fire coming from you. That's why I thought the fire fit.

Koharu: Aww, Eri, that was so sweet...

Rekki: I couldn't have put it better myself, Eri-kun!

Cadao: *I could almost cry.*

Eri: Yeah, yeah, as if!

Mitsuru: Eririn... it makes me so happy to hear that! Just looking at the case makes me want to push my playing even further!

Eri: Heh, you better! Don't think that just because it's your birthday I'll expect any less from you!

Mitsuru: Of course! That's the Eririn I know and love~!

Rekki: With all this talk about fire and playing, how about we do some warm ups for our next live? I figured it'd be a fun way to spend your birthday, Micchan... but what do you think?

Mitsuru: I'd love to Rekkun! What about you all, everyone?

Koharu: Sounds good to me!

Eri: I thought you'd never ask!

Cadao: *Let's do it.*

Mitsuru: That being said... we will be hungry after our jam session... we gotta book a place to eat! It's only natural to share a birthday meal!

Koharu: Thinking... a little far ahead?

Mitsuru: I know of a perfect family restaurant downtown! How about we—

Rekki: M-Micchan... one step at a time, please...

Mitsuru: Ah! Oh man, I was about to bolt off...

Koharu: That's our Mitsuru-san.

Eri: I guess some things never change with you...

Mitsuru: Hehe... sorry, everyone. But, hey! As long as I have you guys to help me catch onto these things, then I think everything's going to be fine.

Rekki: That's what friends are for, Micchan!

Eri: Just don't make it an excuse to not pick up your slack!

Mitsuru: I know, I know! Now, how about we get this practice started?! A guitar case is only good for a guitarist, and a guitarist needs to play!

Cadao: *Quite.*

Koharu: Then let's begin! On three, two, and...
