

INCOME FROM SCHOOL SALES AND SERVICES

The services provided and products offered for sale through various programs shall not be considered income producing for the district.

Fees and prices shall be established on the basis of cost of the particular service including personnel costs, insurance costs, supplies, materials and parts used. If the fee arises from a vocational program, charges, except for required materials and parts, will be waived for students enrolled in the course.

All money received from customers for all sales and services shall be turned in to the school building office for deposit in a designated depository. This money shall go into either a special clearing account or an agency account.
