1. Introduction

Welcome to Tic Tac Toe! This Privacy Policy explains how we handle user data and in-app functionality.

By using this App, you agree to this Privacy Policy.

2. Data Collection and Storage

This App is fully offline and does not collect or store any user data on external servers.

The following data is stored **locally on your device**:

- Game history (matches won/lost)
- App settings and preferences

This data is stored using **SQLite** and **Shared Preferences** and is **not shared with any third parties**.

3. Advertisements

This version of the app contains advertisements.

Tic Tac Toe includes banner ads and interstitial ads to support ongoing development. Some user data may be used for ad personalization in accordance with advertising policies.

- ☒ Yes ad SDKs are used
- ☒ No internet connection is required for gameplay

4. Game Modes

The App offers two game modes:

- Single Player Mode: Play against a bot (offline).
- Two Player Mode: Play against a friend (offline).

5. Data Deletion Upon Uninstallation

If you uninstall this App, all stored data will be permanently deleted from your device, including:

- ✗ Game history and match stats
- ✗ Preferences and settings

This data cannot be recovered once deleted.

6. Security

Since the App is fully offline and does not require internet access, there is no risk of data leaks or unauthorized external access.

7. Changes to This Privacy Policy

We may update this Privacy Policy in the future. Any significant changes will be communicated through app updates on the Google Play Store.
