

Part One—Sculpt in Three Dimensions

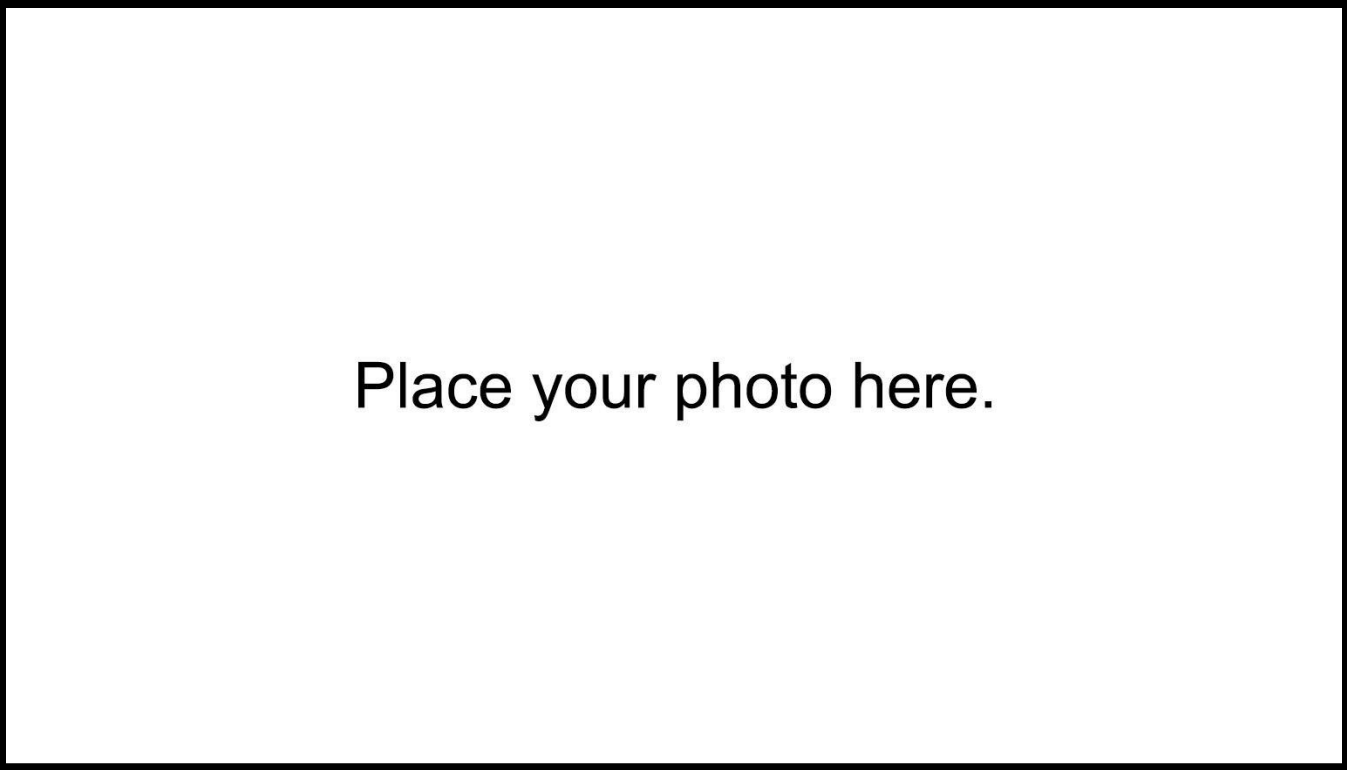

Create a sculpture that

- is original, three-dimensional, permanent sculpture story
- uses **at least two** types of texture
- uses geometric or organic form, or both

Take at least two photos of your sculpture to show different angles.

Place your photo here.

Part Two—Create Your Artist Statement

Artist:

Title:

Medium:

Dimensions:

Date:

Answer the following questions to write your description:

1. What is the inspiration for your sculpture?
2. How did you use texture in your sculpture?
3. How did you use form in your sculpture?

4. Why did you choose the materials you used for your sculpture?
