To Whom It May Concern,

Re: Fundraising Activities by Burnaby Wildcats Teams Affiliated with BFIHA

I am writing on behalf of the Burnaby Female Ice Hockey Association (BFIHA), a non-profit organization committed to promoting female participation in ice hockey and fostering athletic development, teamwork, and community spirit among young athletes in Burnaby and surrounding areas.

Our team, Burnaby Wildcats _____, is currently organizing fundraising activities to support our upcoming season. Funds raised will help cover essential costs such as, tournament fees, travel expenses, equipment, and/or development programs. These activities are vital to ensuring that all players have access to a safe, inclusive, and enriching hockey experience. We kindly request your support in allowing us to host a fundraising initiative through your organization.

BFIHA is a sanctioned minor hockey association under BC Hockey and Hockey Canada, and all fundraising efforts are conducted in accordance with our association's guidelines and values.

If you require any additional documentation or verification, we would be happy to provide it. Thank you for considering our request and for supporting youth sports in our community.

Regards,

CReesor
