

## Disability Access Team

Thanks to the 2021 OUSD Disability Access Resolution No. 2021-089 ([see full Board Resolution here](#)), the Disability Access Team is able to collaborate with departments across the district in order to bring greater awareness and access to OUSD programming for students with disabilities during and outside of the school day. We offer a variety of ways to engage with us and are excited to support you!

### Ongoing Support Menu

Professional Development	Inclusive Practices Coaching	Resources and Consultation
<input type="checkbox"/> Planning with the FLIP framework <input type="checkbox"/> Principles of Universal Design <input type="checkbox"/> Disability Awareness <input type="checkbox"/> Meeting the needs of students with disabilities in sports, after-school programs, and electives <input type="checkbox"/> Tailored PD for your specific needs	<input type="checkbox"/> For after-school program staff <input type="checkbox"/> For athletic directors, coaches, or sports providers working with OUSD youth <input type="checkbox"/> For VAPA and elective teachers <input type="checkbox"/> Teachers interested in coaching support with mainstreaming <input type="checkbox"/> Support to launch inclusive programming, such as Best Buddies or Unified PE	<input type="checkbox"/> Visual supports and adaptive materials created for for student use in extra curriculars <input type="checkbox"/> On-site observations and follow-up consult to problem-solve student-specific concerns <input type="checkbox"/> Consultation by appointment with: <a href="#">Aruna</a> Tues 9-11/ Th 11-1 <a href="#">Amanda</a> Tues 2-4/ Wed 9-11 <input type="checkbox"/> Disability Awareness Library - borrow books and use lesson plans to build an inclusive class community
