1. Test Format and Sections (Format Changes very frequently please google the current format once before appearing)

The TCS NQT consists of five sections:

- Verbal Ability: 24 questions, 30 minutes.
- Reasoning Ability: 30 questions, 50 minutes.
- Numerical Ability: 26 questions, 40 minutes.
- Programming Logic: 10 questions, 15 minutes.
- Coding: 2 questions, 45 minutes.

The total test duration is 180 minutes, comprising 92 questions that include multiple-choice and coding-based formats.

2. Eligibility Criteria

- Education: Open to final-year and graduate students from UG, PG, and diploma courses in any discipline.
- Percentage Criteria: A minimum of 60% or equivalent CGPA throughout X, XII, and UG/PG.
- Backlog Criteria: Maximum of 1 active backlog allowed during the test.
- Education Gap: A maximum of 2 years of academic gap is permissible.
- Age Limit: Candidates aged 16 to 26 years are eligible.
- Experience: Freshers with less than 2 years of work experience can apply.

3. Cutoff Scores

While TCS does not specify fixed cutoff scores, generally scoring above 80% across all sections improves the chances of being shortlisted. Cutoffs may vary depending on the role (e.g., TCS Ninja or TCS Digital) and competition level.
