Greeting/ Ambient Style Fire Performance

A perfect way to add the spark as your guests enter the party! This could be a featured activation right as your guests arrive at your event.

Fire performances are ideal for: private parties, corporate parties, outdoor or poolside events, music or street festivals, fan fair entertainment, sporting events

Don't be afraid of a little fire! We hold \$5,000,000 liability insurance and work closely with the fire marshals across the USA. We have simplified the permit process so that you and your client have nothing to worry about!

Fire show requirements:

- ★ *A sectioned off performance area with stations, bike racks, or elevated stage at least 10ft away from audience members*
- ★ *A secured area 30ft away from the performance area for a fueling station (back door area, loading doc, etc.*
