

## **Music Video Project**

**DUE:**

### **Important Information**

- Students will work in a group to create a music video teaching a grammar concept in English.
  - o Step 1: With your group, choose a grammar topic and a popular song.
  - o Step 2: Change the lyrics in the song to explain the grammar concept.
  - o Step 3: Film a music video with your group members.
  - o Step 4: Edit the music video and present it to the class.
- The video must be completely in English.
- The video mustn't contain any inappropriate language or content for school.
- Students will bring the video to class on a pendrive to share with the class.

<b>Traits</b>	<b>10-8</b>	<b>7-4</b>	<b>3-0</b>	<b>Points</b>
<b>Use of English</b>	The grammar concept it explained correctly, and the use of English in the song's lyrics is correct.	The grammar concept is not explained very well or completely, and there a some English mistake in the lyrics.	There is very little or no explanation of the English concept, and the lyrics don't make sense to the viewer.	
<b>Creativity</b>	The song lyrics are interesting and clear, and the video is visually stimulating to the audience.	The song lyrics don't flow together with the song very well, and the video lacks cohesion and interest.	The song lyrics were not written well, and very little work was put into creating the video.	
<b>Participation</b>	The student participated in every aspect of the video-making process: writing lyrics, filming, etc.	The student participated in some of the video-making process: writing, lyrics, filming, etc.	The student participated very little or not at all in the video-making process.	
<b>Teacher's Comments</b>			<b>Score:</b>	

<b>Warning:</b>	Any use of inappropriate language, gestures, or anything else, will result in an automatic 2.0 for a grade. These videos should be able to be shown to any student in the school, without fear of inappropriate content.
