Abstract
Please use 14-point bold for your article title, with an initial capital letter for any proper nouns. Please margin the article title to the center. All the authors of a paper should include their full names, affiliations, postal addresses, telephone and fax numbers and email addresses at the end of the manuscript. One author should be identified as the Corresponding Author. Please use one line for all author names. An informative 10-point abstract (150 to max 200 words) presenting the main points of the paper. Please include descriptive keywords (3 to 5). Capitalize the first letter of each keyword (e.g., Science education, Survey development). Add your abstract here. Add your abstract here. Add your abstract here. Add your abstract here. Add your abstract here. Add your abstract here. Add your abstract here. Add your abstract here.

Keywords: *keywords 1, keywords 2, keywords 3, keywords 4*

Introduction

Please use 11-point font size. Please margin the text to be justified. Manuscripts should be 1 spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not accepted. All relevant information should be included in the main text. Please indent paragraphs; do not underline words for emphasis. Use italics instead. Both numbered lists and bulleted lists can be used if necessary. Before submitting your manuscript, please ensure that every in-text citation has a corresponding reference in the reference list. Conversely, ensure that every entry in the reference list has a corresponding in-text citation.

Subdivide text into unnumbered sections, using short, meaningful subheadings. Please do not use numbered headings. Please limit heading use to three levels. Please use 11-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any proper nouns. Leave one blank line (1 spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Second Level Headings

Please use 11-point font size. Please margin the text to be justified. Manuscripts should be 1 spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not

Subdivide text into unnumbered sections, using short, meaningful subheadings. Please do not use numbered headings. Please limit heading use to three levels. Please use 11-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any proper nouns. Leave one blank line (1.5 times spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Third Level Headings

Please embed tables and figures in appropriate areas within the document and center them horizontally. Tables and figures should not exceed the given page margins. Provide captions (maximum length: 6 to 8 words) for each table or figure. Centre the caption above the table and below the figure. Please reference the table or figure in the text (see Table 1) before presenting it. Please do not use vertical lines in tables. For figures, GIF and JPEG (JPG) are the preferred formats.

Table 1. Centre the caption above the table

Variables	N	Mean
Group	47	30.3
	60	38.7
	48	31.0
Total	155	100

Please embed tables and figures in appropriate areas within the document and center them horizontally. Tables and figures should not exceed the given page margins. Provide captions (maximum length: 6 to 8 words) for each table or figure. Centre the caption above the table and below the figure. Please reference the table or figure in the text (see Table 1). Please do not use vertical lines in tables. For figures, GIF and JPEG (JPG) are the preferred formats.

Method

Second Level Headings

Leave one blank line (1.5 times spaced) before and after each heading. (*Exception: no blank line between consecutive headings.*) Please margin all headings to the left. Leave one blank line (1.5 times spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Please use 11-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any

proper nouns. Leave one blank line (1.5 times spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Third Level Headings

Please use 12-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any proper nouns. Leave one blank line (1.5 times spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Discussion

Please use 11-point font size. Please margin the text to be justified. Manuscripts should be 1 spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not accepted. All relevant information should be included in the main text. Please indent paragraphs; do not underline words for emphasis. Use italics instead. Both numbered lists and bulleted lists can be used if necessary. Before submitting your manuscript, please ensure that every in-text citation has a corresponding reference in the reference list. Conversely, ensure that every entry in the reference list has a corresponding in-text citation.

Subdivide text into unnumbered sections, using short, meaningful subheadings. Please do not use numbered headings. Please limit heading use to three levels. Please use 11-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any proper nouns. Leave one blank line (1 spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Conclusion

Please use 11-point font size. Please margin the text to be justified. Manuscripts should be 1.5 times spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not accepted. All relevant information should be included in the main text. Please indent paragraphs; leave a space of one line between consecutive paragraphs. Do not underline words for emphasis. Use italics instead. Both numbered lists and bulleted lists can be used if necessary. Before submitting your manuscript, please ensure that every in-text citation has a corresponding reference in the reference list. Conversely, ensure that every entry in the reference list has a corresponding in-text citation.

Recommendations (if necessary)

Please use 11-point font size. Please margin the text to be justified. Manuscripts should be 1 spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not accepted. All relevant information should be included in the main text. Please indent paragraphs; do not underline words for emphasis. Use italics instead. Both numbered lists and bulleted lists can be used if necessary. Before submitting your manuscript, please ensure that every in-text citation has a corresponding reference in the reference list. Conversely, ensure that every entry in the reference list has a corresponding in-text citation.

Subdivide text into unnumbered sections, using short, meaningful subheadings. Please do not use numbered headings. Please limit heading use to three levels. Please use 11-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third -level headings with an initial capital letter for any proper nouns. Leave one blank line (1 spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.

Acknowledgements or Notes

Please collate acknowledgements or notes in a separate section at the end of the article before the references.

References

Please use the reference manager apps (Zotero, Mendeley or others). The references and citations should be prepared in the APA format. Please visit the following page for more information APA style: https://apastyle.apa.org/style-grammar-guidelines/references/examples. All references need to be cited in the text and all citations need to be listed in the references.
