2025-2026 School Year

The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38. **A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a public or private elementary or secondary school in Texas.**

Immunizations due for an incoming 7th grader for the 2025-2026 school

TDAP (Tetanus, Diphtheria, and Acellular Pertussis)

MCV4 (Meningococcal)

These immunizations will be due prior to the first day of the 2025-2026 school year or your student will NOT be able to start school.

When your student has the immunizations complete please turn in a copy or email the record to the school nurse. We are happy to take the immunization records before the end of this school year and during the summer if needed.
