\*\*\* No meeting during turn-in week

ACTIVITY DETAILS

---

## Chess for Elementary Students

First meeting: **Date and Time TBA**

Welcome all to Chess Club! Focus will be on elementary students, but older students also welcome if interested in learning or having an additional venue to practice. There will likely be many different levels, but to make the most of this short once a week session, it is highly recommended to help your kids get familiar with pieces and how they move. There are a couple of free websites online that can definitely help ( ([Lichess.org](http://Lichess.org) and [Chesskid.com](http://Chesskid.com))). Practice, practice, practice!

---

## Chicken Coop Cooperative (C3)

The first C3 meeting - **Date and Time TBA**

We are calling this the “chicken coop cooperative,” or C3:

- This hour is designed for the K through 5 students to spend some time getting to know the chickens, and hanging out with other students.
- We will occasionally harvest greens growing from the gardens to offer them as well.
- We will be mindful of washing hands after interacting with the chickens: food for kids first (if eating on campus), then food for chickens.

Please sign in at the front office and the students can be sent directly to the chicken coop. If a student is already on campus, please indicate on the check in sheet on Wednesdays that they will be attending a C3 session. Students will be walked back to the front office at 1:30.

Questions? Contact Shannon Stewart [ssewart@sandi.net](mailto:ssewart@sandi.net)

---

## Elementary Art with Mrs. Sink / [Website](#)

**Every Tuesday except turn-in / 12:30-1:30 (no class turn-in week) / Rm. 3**

- Monthly sign ups are needed as there are limited spaces available each work month. The sign up link will be sent out in the Monday Message before the upcoming work month. Your child must be signed up to attend.
- On Tuesdays, sign your child in at the front office between 12:20 and 12:30 (unless they are in 1st or 3rd grade and attending supervised lunch).
- Students will be walked back to the front gate for parents to pick up at 1:30 (unless they are staying for Beginner Strings Class).

DATES: 10/25, 11/1, 11/8

---

## Lego Robotics - Starting October 11

EV3 Robot & Lego design Club 3rd-5th grade meets Tuesday 1:30-2:30 (except for turn in week)

---

## Music Classes with Mr. Johnson

### Every Tuesday Auditorium

These classes are held every Tuesday. Please sign your child in at the front office and note which class(es) they will be attending.

- 8:05-9:00 Advanced Strings
  - 9:20-10:20 Music Theory
  - 10:40-11:40 Advanced Band
  - 12:30-1:20 Ukelele
  - 1:25-2:15 Choir
  - 2:15-3:05 Beg Strings
- 

## PALS Tutoring

### Wednesdays and Thursdays

**Time - 9:30-11:30**

**Location : Auditorium**

Trained tutors are ready to help you get your classwork done! All students grades K-12 who would like some extra help can come to the auditorium every Wednesday and Thursday 9:30-11:30. All grades are welcome, as we have tutors for all grade levels.

PALS is a great way to build community and academic skills!

Parents, K-5 students attending PALS must arrive with a check-in form so tutors know what to work on with your child and you receive a report on how things went. (Extra forms will be available when you drop off in case you forget or can't print one at home.)
