---

Santa is a busy man but he would like to really stuff your stocking..

...with the album of the week of course!

---

Hunter's Album Of The Week:

Soundgarden

Louder than love

"The rawness of this album is very influential to me. There's no major label studio trickery, autotune, or any of that. Just hard working musicians speaking their soul through the power of their instruments. That's why it doesn't sound like anything else and is unique."

Favorite songs:

-Hands All Over

-Gun

-Loud Love

-Uncovered

-Big Dumb Sex

---

-No Fakes Given Inner Circle
