A Sunsational Summer Camp Day

Free Play: This time will consist of play time in the enclosed outdoors courtyard or inside the gym, weather permitting. Ordinary play time will now be an exciting time to imagine and explore.

Daily Activities: This time of day we will delve into the theme for the week ~ whether we blast off to space or cool down on a warm summer day, it will be a Summer to remember!

Sports Development: We will learn and play a variety of fun, skill-developing games. Here at sunsational camp we put a "team" effort into our games and really learn how to play together while developing coordination, stability, and movement skills.

Snack Time: Please have your child bring a snack and water bottle with them to camp.

Nature Hunt: During this time we will grab our magnifying glasses and bug catchers as we explore different areas around the courtyard. We never know what we will find out there, but we know it will be exciting!
