

November brings Fabric Kids inside due to the chilly temps. As your family arrives head to check in at the kids table just inside of Field, pick up a wrist band, and then sit together at one of the bubbled chair areas in the Commons. Families will be together for the beginning music and welcome before kids will be invited to head into the gym to dig into creating habitudes or ways of interacting with one another that celebrate our differences and work towards equity in the ways we live. Kids will rejoin the adults for the last 15-20 minutes of the gathering.

Thank you for Pre-registering your kids! It has been a way for us to do our best to create spaces that are safe for kids, keep social distancing and have enough leaders to keep groups small.

Please sign up each child by Wednesday before the Sundays you plan to participate.
