The Light Reflected

The Distribution of the Candles

The pastor will light his candle; the ushers will light their candles from the Pastor’s candle; the ushers will then move down the aisle lighting the candles of the congregation in this manner: the worshiper nearest the center aisle will receive the light and in turn give the light to the one by their side.

Silent Night, Holy Night, should be sung softly and reverently, with no other light burning, but the candles. The candles should not be extinguished until the close of the benediction.
