

SELECTION WEEKEND LESSON PLAN TEMPLATE

Instructions: Make a copy of this template and create a lesson plan for your 5-minute teaching sample aligned to the standard and objective you chose from the provided list on the selection website. Each teaching sample should have a clear beginning, middle, and end and questions to gauge understanding throughout the lesson. You may use outside resources and curriculum, but the plan must be your own. If you haven't already, watch the videos provided for more information and an example lesson.
