🏈RPI Choir Homecoming Performance🏈

(10/03/25)

Hello RPI Choir families! This year we are continuing the tradition of performing the National Anthem and Fight Song at the Homecoming game on **Friday, October 3rd.** Additionally, we get the wonderful opportunity to perform with the Middle and High School choirs, AND the band, on the football field… in front of a MASSIVE audience! ***GO ROCKETS!***

This event is *completely optional*, but incredibly FUN!

Permission Slip *(completed & signed by* 10/02) to attend is on the back of this form!

Parents, you are responsible for what happens to your child once they exit the football field. Please have this worked out ahead of time. We do not have chaperones to watch the kids during the game, and students are **not allowed to stay without a parent/guardian.**

***Pick up* after we sing will be at the front entrance to the football field, near concessions!**

Note: Singers get into the game for ***FREE. *(We love free things!)* Attending adults, friends and family members will be charged normal admission if they wish to attend***
