Q1 - 40% (Major grades = 60% of quarter grade. Minor grades = 40% of quarter grade.)

Q2 - 40% (Major grades = 60% of quarter grade. Minor grades = 40% of quarter grade.)

End of Course Exam (state) - 20%

Make-up Work

It is the responsibility of the student to make up work when absent.

If you are absent, you have five days to make it up, or it becomes a zero unless and until a stipulated second chance has been given.

Late Work

Any work not submitted on the due date will result in a ten percent penalty for all assignments submitted within the unit time frame.

Attendance

Students must attend a minimum of 85 of the 90 days per semester. Students who have exceeded the limit will be denied credit for the course or required to attend seat recovery time.

Class Expectations

Our classroom will follow the expectations outlined in the Berea High Student Handbook.

In addition, during the first week of the course, we will discuss classroom practices, procedures, and consequences for unacceptable behavior. Our classroom is a place of active learning. The number one priority here is learning in an environment that is **inclusive of all people** and a place of safety.

Here are our basic class expectations:

1. **Be on time.** Students are late once the classroom door has closed. We follow the Greenville County Tardy policy outlined in the Student Handbook.
2. **Respect Everyone and Everything in the Classroom.** From supplies to peers, students are expected to respect everything within the classroom environment. This includes maintaining a clean area, returning supplies, and treating classmates with grace and dignity.
3. **Students are responsible for their own work.** Cheating on any assignment, regardless of point value, is not tolerated. It is the responsibility of students, **NOT THE INSTRUCTORS**, to get work they have missed while absent.
4. **Come to school!** Students who regularly miss school struggle to keep up with assignments. English 2 is an EOC course. In order to increase their chances of success on the EOC, it is imperative that students come to class every day.

5. **No Personal Electronic Devices.** This includes tablets, personal laptops, smartwatches, handheld gaming systems, and cell phones. Essentially, if it is not a school assigned Chromebook, a student should not have it during class time. Administrators will be called to confiscate technology that has not been approved for classroom use. Parents, if you are uncomfortable with the idea of your child's device being confiscated then your child needs to leave that device at home.

6. **Bring your Chromebook.** We use our Chromebooks every day in English 2. Students who have Chromebook issues need to see Ms. Euote in the media center as soon as possible. Students who routinely forget their Chromebook will find it difficult to succeed in this course.

7. **Take care of needs BEFORE class.** We are a bell to bell class. Meaning, there is no time for bathroom or water breaks. Students should take care of these needs during class change. Instructors are limited on when they are permitted to send a student to the nurse. If a student needs to see the nurse for any reason, it is strongly recommended they do so during class change.

Consequences

- | | |
|-------------------------------|------------------------------|
| 1) Verbal Warning | 4) Contact Parents |
| 2) Written Warning | 5) Referral to Administrator |
| 3) Student/Teacher conference | 6) Parent/Teacher Conference |

* Consequences are determined on a case by case basis at the instructor's discretion.

Supplies Recommended

Most supplies are provided. Make sure you come to class with a pencil and a **charged** Chromebook each day.
