

All Stars Booster Club Meeting Wednesday, June 11, 2025

Meeting Minutes

Attendees: Kristi Humpal, Sarah Skarski, Brad Thedens, Jacqui Meadors, Katie Zimmerman, Angel Paulson, Julie Fettes

Member Input/Concerns

- No concerns brought forward

President's Report/Update

- Unfortunately, Aimee was not able to be in attendance due to a work emergency. No President's report for June.
- New and Returning Family Packets – Aimee is working on comprehensive packets for new and returning families that will include both Booster Club information and AAGA (gym side) information. Packets to be distributed at Open House (date TBD)

Vice President's Report/Update

- Banquet Recap – overall, feedback was positive. The budget was \$2500 (+ parent costs). Katie and Kristi are still processing a few parent payments, but should be very close to budget. Discussion was had on alternate venues going forward, particularly where Booster Club can utilize outside caterer to save money. Additional discussion on selecting a date earlier in the year so families can plan accordingly.
- Leotard Turn in Status – as of June 11, Katie is still trying to collect 3 leotards.
- Level 1 and Level 2 Leotards – for those parents not aware, AAGA is making a change next year and will have Level 1 and Level 2 gymnasts. We will be the only gym in South Dakota that competes at this level, but it is common at the national level. Katie has done an inventory of leotards (xcel and DP) and believes we will have enough of the current leotards to accommodate this group. Additional discussion on ordering lower-priced, sleeveless leotards for this group if we do not have enough of the current leotards.

General Accounts Report/Update

- Current Savings Balance - \$32,087.80
- Current Checking Balance - \$10,734.52
- Upcoming/Pending Expenses – we currently have approximately \$7500 in outstanding expenses
- 2025/2026 Budget – planning will begin in early July so final budget and financial forecasts can be distributed at Open House (date TBD)

Individual Accounts Report/Update

- End of Season Statements – distributed via email earlier this week
- Outstanding Balances – as of June 11, there are approximately \$5000 in outstanding balances, but that includes all balances from statements that were just distributed so a little misleading. The actual amount is significantly lower with approximately 10-15 accounts with true outstanding balances.

Fundraising Report/Update

- 2025/2026 Fundraising – Sarah will begin working on the fundraising schedule for the upcoming season with discussion scheduled for July meeting. If members have ideas on fundraising, please email Sarah.

Meet Coordinator Update/Report

- USAG Registration – USAG renewals for the upcoming season are due Friday, July 25th. Emails from USAG have begun to arrive in inboxes, but you can also log on to USAG and renew (without receiving the email). If parents are unsure how to renew your athlete's membership, please visit the Booster Club website (www.allstarbooster.com) and click on the USAG Membership button for a "how-to" guide. If parents still have questions, please visit the FAQ section on the website for a Google slide presentation that walks you through the registration/renewal process.

Communications Report/Update

- Monthly Newsletter – discussion was had regarding a monthly newsletter to families with pros/cons discussed. Angel will gather feedback from members.
- Parent Representation – for the 2025/2026 competition season we will have "Level Parents" to help with communication, spirit activities, etc. within each level. We realize levels have not yet been set by the gym, but if you are interested in being a Level Parent, please contact Angel. The more, the merrier!

2025/2026 Competition Season

- Per the AAGA handbook, the 2025/2026 competition schedule will be released on Monday, July 28th.

Other

- 2027 State Meet Bid – Julie Fettes has been working on a bid for the 2027 South Dakota state meet, but venue options for the selected date are limited. Exploration continues.
- 2029 Xcel Regionals – the location for Xcel regionals is determined on a rotating basis. South Dakota is slated to host in 2029. Julie Fettes is exploring options and has been working with venues and attempting to confirm dates with Region IV representatives.
- Spirit Events and Ideas – the Booster Club would like to do a summer spirit event for the entire team. The challenge is multiple training schedules to include all groups. Ideas discussed include a Movie Night at the gym, making/painting clips,

painting rocks. Aimee will discuss use of the facility with AAGA and potential dates.

Next Meeting Date

- Tuesday, July 1, 2025
- 6:00pm
