Silverheights School Council Meeting Agenda

Date & Time: Sep 24, 2025 - 6:30 to 8:00 - library

Meeting #1 - In Person Only

"Parents play a vital role in the development and education of their children and in the success of schools. They are the most important influence in a child's life outside of school.

Long after direct learning from parents in a child's early years gives way to formal education, parents continue to play a key role in student success through the attitudes they help to share and the direct supports they provide."

A school council is an advisory body that functions within the parameters of Ministry of Education and Board policy. School councils provide an opportunity and the means to advise the principal and the Board on any matter pertaining to improvement of pupil achievement and enhancing the accountability of the education system to parents/guardians. The ultimate responsibility for the administration and management of the day-to-day operation of the school rests with the principal.

Point to Note

- Pizza sales estimated revenue was updated based on current sales and estimated sales to the end of the school year. Still have a \$1K buffer on what we expect to see come in.
- All expenditures outlined above in red, have been approved and are in the process of being spent or have already been spent by admin.
- We have an estimated deficit of -\$369.25. Recognizing this is a conservative estimate. We in our last meeting we did confirm any surplus would be directed to Nutrition for Learning

Current Cash Flow Status:

The following cash flow chart outlines the money that has been spent that we have allocated for and projected revenue to date from our account. Big thank you to Mrs. Goudy and the office team who are keeping this updated for us, as they are spending the funds we have approved.

Point to Note:

 Not all allocated funds will be spent. (ex. Field Trip has \$4,500 allocated and only \$1,014.90 spent to date)

Required Discussion Items/Approvals

No items for approval as we have allocated all funds for the remainder of the year

Future Actions

As we approach the end of the financial year for Parent Council, I would like to share that we have now allocated all available funds and have no further funds to distribute.

My goal is to provide the most up-to-date accounting records for Parent Council files by the end of June. Please note that while I will be providing a comprehensive update, the final actuals from the school board are not typically received until late Fall 2025.

It has been a true pleasure serving as Treasurer for Parent Council. I am thrilled with the impact we have made together — supporting the school and our students in ways that have helped make the school a wonderful place to learn, grow, and foster a strong sense of community and pride.
