## Abstract

Write your abstract here. The abstract should clearly present the context, objective, methodology, main results, and conclusion of the work. The text should be concise and scientifically clear. The recommended length is 250-300 words, while keeping the full abstract within one A4 page. Avoid unnecessary details and ensure that the contribution of the work is understandable to a broad scientific audience.

The abstract must be written in English and must fit within one A4 page. Accepted file formats: DOC or DOCX only. Title: Times New Roman 14 pt, bold, centered. Authors: 12 pt, bold, centered. Affiliations: 10 pt, italic, centered. Body: 11 pt, justified. Keywords: maximum 5. Acknowledgements and References are optional and should be placed after the keywords if needed.

**Keywords:** keyword 1; keyword 2; keyword 3; keyword 4; keyword 5

## Acknowledgements *(optional)*

Add acknowledgements here if applicable. Keep this section brief and place it after the keywords.

## References *(optional)*

[1] A.B. Author, C.D. Co-author, Journal Name, Volume(Issue), pages, Year.

[2] A. Author et al., Report or Book Chapter Title, Publisher/Institution, pages, Year.
