

December Pulse - 2024
NAE4-HYDP – Fall 2025 Ballot
Bernie Wiesen – Past President

At this writing, it has been nearly 8 weeks since we inducted our 24-25 Board of Trustee members at our National Conference. I can still feel that energy and commitment of those serving. I have 2 asks of all our Pulse readers:

1. Are there any leadership roles in NAE4-HYDP that you would like to learn more about?
2. Are you interested in serving on the Organizational Stewardship Committee which has the charge of seeking and securing qualified candidates to run for our elected positions?

I am in the process of finalizing our current Organizational Stewardship Committee which requires representation from every region. We are hoping to have our first meeting yet this year or early in January. The goal of the 24-25 Organizational Stewardship Committee will be to seek and secure qualified candidates for the following positions:

President Elect
VP Finance and Operations
VP of Member Services
1-1994 Institution Director
1-North Central Regional Director
1-North East Regional Director
1-Western Regional Director
2-Southern Regional Directors

I know I have grown, learned and I think improved professionally after serving on the NAE4-HYDP Board Trustees and various Committees. It is a lot of work that is not easy, but it is very rewarding and opens doors for expanded networking and connections that can help you in your day-to-day work. Please let me know if you are interested in learning more about any of the positions listed here and/or any other leadership roles among our network of Standing Committees and Working Groups, there truly is something for everyone. Please reach out to me at bw27@cornell.edu. I hope to hear from you real soon. Happy Holidays, wouldn't running for a position be a great New Years Resolution?
