CPCC Career and College Promise (Dual Enrollment)

Students must also submit an application to Lisa Hall, PHS Career Counselor, and follow the steps to successfully enroll in CPCC courses. Rising 11th graders can request up to four "CPCC Holds" on their schedules for CPCC courses to be added during the school year (two per semester). Only students who complete the application process will have the courses added to their Providence schedule/transcript. 11th graders who do not complete the required steps will have the holds removed and PHS courses added to their schedules.

___ CPCC Hold 1 (Sem 1, 3rd Block)

___ CPCC Hold 3 (Sem 2, 3rd Block)

___ CPCC Hold 2 (Sem 1, 4th Block)

___ CPCC Hold 4 (Sem 2, 4th Block)

We recommend that you communicate with your teachers and counselor when selecting courses for the 2025-2026 school year. Consider courses that will provide a challenging and successful educational experience. **Students who receive the course(s) for which they request may not be allowed to request a schedule change.** There are very few reasons a course may be changed once the schedule is set.

By the signatures below, we have carefully considered the above course selections and understand that all courses we have chosen constitute a year commitment.
