

Mairenva's Live2D Commissions

By commissioning me, you will receive a PSD Live2D model file and/or a folder with Live2D model files for running, with specific commercial rights, in an estimated time of three months. Unless otherwise agreed by the client and me.

Commercial Use Term of Services

I surely will do

- Humans/Humanoids
- Animals/ferals
- Anthro
- Mythical being
- Blood/Bruises
- Sexy themes

I likely won't do

- Political themes
- Religious themes
- Genitalia
- NSFW

I'm open to discussing some things, but I retain the right to reject anything that makes me uncomfortable.

Live2D Art

Design

You will receive an artwork piece in PNG format without rendering, with an approximate size of 3840x2160 pixels with at least 2 views of the new design (more only in case of being necessary).

Full-body: 150-\$200 (Depends on complexity)

Art

You will receive a PDS file of your model, with an approximate size of 4000x6000 pixels, correctly separated into layers. Models come with 3 free expressions/toggles, I can give you a specific price for more expressions, clothes, arms, etc., once you contact me.

Half-Body: \$200-\$250 (Depends on complexity)

Full-Body: \$300-\$400 (Depends on complexity)

Extra expressions/toggles: \$10

Extra outfit: \$150

Extra hairstyle: \$80

Extra accessory: \$20-\$50 (Depends on the type)

Live2D Rigging

You will receive a folder with Live2D model files ready for running on VtubeStudio, you will not get files for Live2D editing.

Tier B

The rigging will have

- XYZ head movements.
- XYZ upper-body movements.
- Physics for eyes, hair and accessories.
- 3 free on/off toggle expressions/accessories of your choice.

Price: \$300-\$400 (Depends on complexity)

Tier A

The rigging will have

- Wide XYZ head movements.
- XYZ full-body movements.
- Full physics (Physics for eyes, hair, accessories, clothes, arms, body, etc.).
- 3 free animated toggle expressions/accessories of your choice.
- Lean forward/backwards.
- Offset XY movement (full-body movement with respect to the camera).

Price: \$600-\$700 (Depends on complexity)
