

Madras Middle School

Home of the Eagles!

PTSO: Come Join our Team!

Welcome to Madras! We'd like to invite you to join our Madras Middle School PTSO (Parent Teacher Student Organization) team this year! The Mission of the Madras PTSO is to enrich the education of students at MMS by sponsoring and organizing fundraising and school events and by fostering relationships among the school, parents and students.

Our PTSO helps to improve our school by combining the efforts of the parents, teachers, & students, and we can't wait to meet all of our new families along with the many families who began at Madras during the previous year in person! We know our students will be excited to see our PTSO sponsored activities back in the school for the 2021-2022 school year (pending district approval). We plan to be at orientations to welcome everyone and share spiritwear with you.

We hope you will consider joining our team! Complete the **[Madras PTSO 2021-2022 Membership Form](#)**
