40 Questions to Help You Prepare for the Speaking Test

Here's a list of questions from past First Certificate exams, Cambridge textbooks, and so on. I've also written sample answers, because I'm an amazing person. You, of course, should think up your own answers. [Don't memorise answers - it will give a bad impression. Use these questions to **practice**.]

- All these questions will be followed by 'why?' if you dont' give reasons - but you should say why without being asked.
- Many times, the examiner will ask the same question to the second student by saying 'What do you think?' or 'And you?' But YOU can ask your partner those questions - more talking time for you and more opportunity to show how you manage a conversation.
